

Dear Lord,

We praise and thank You for our faith community of Sacred Heart: for its people, its Spirit, its energy and its welcoming presence.

Thank you for the gifts and talents brought to the altar and the generosity with which they are shared.

We place our trust in You to abundantly bless our efforts as we consider how best to use our resources for Your glory.

May our prayers of adoration, thanksgiving, and supplication rise to You in the name of the Sacred Heart of Jesus.

Amen.
